I have not included instructions for making and finishing a quilt.

### **Patti's Star**

45.5" Square

The center is composed of 6" blocks...6 across x 6 down  
Two inner border fabric strips... 1.5" x 36"  
Two inner border fabric strips... 1.5" x 39"  
Four corner 3" blocks  
Each outer border is composed of thirteen 3" blocks (52 total)

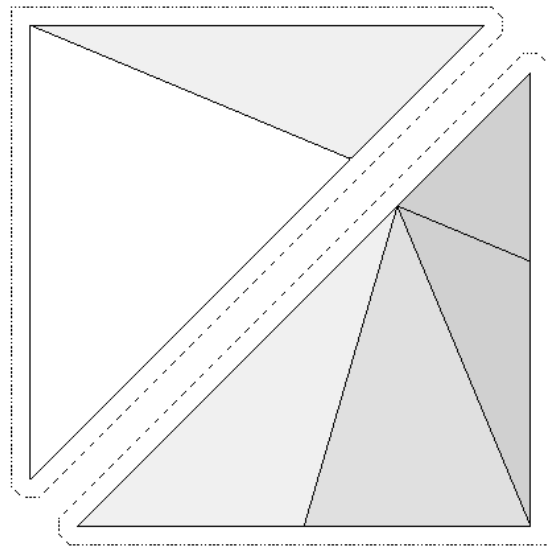

Fabric key	Number of patches	Yardage estimate	Fabric key	Number of patches	Yardage estimate
	260	3/4		18	1/8
	44	# 3/4		260	5/8
	260	3/4		260	1
	18	1/8			

# The estimate for this fabric assumes that long strips ARE pieced.

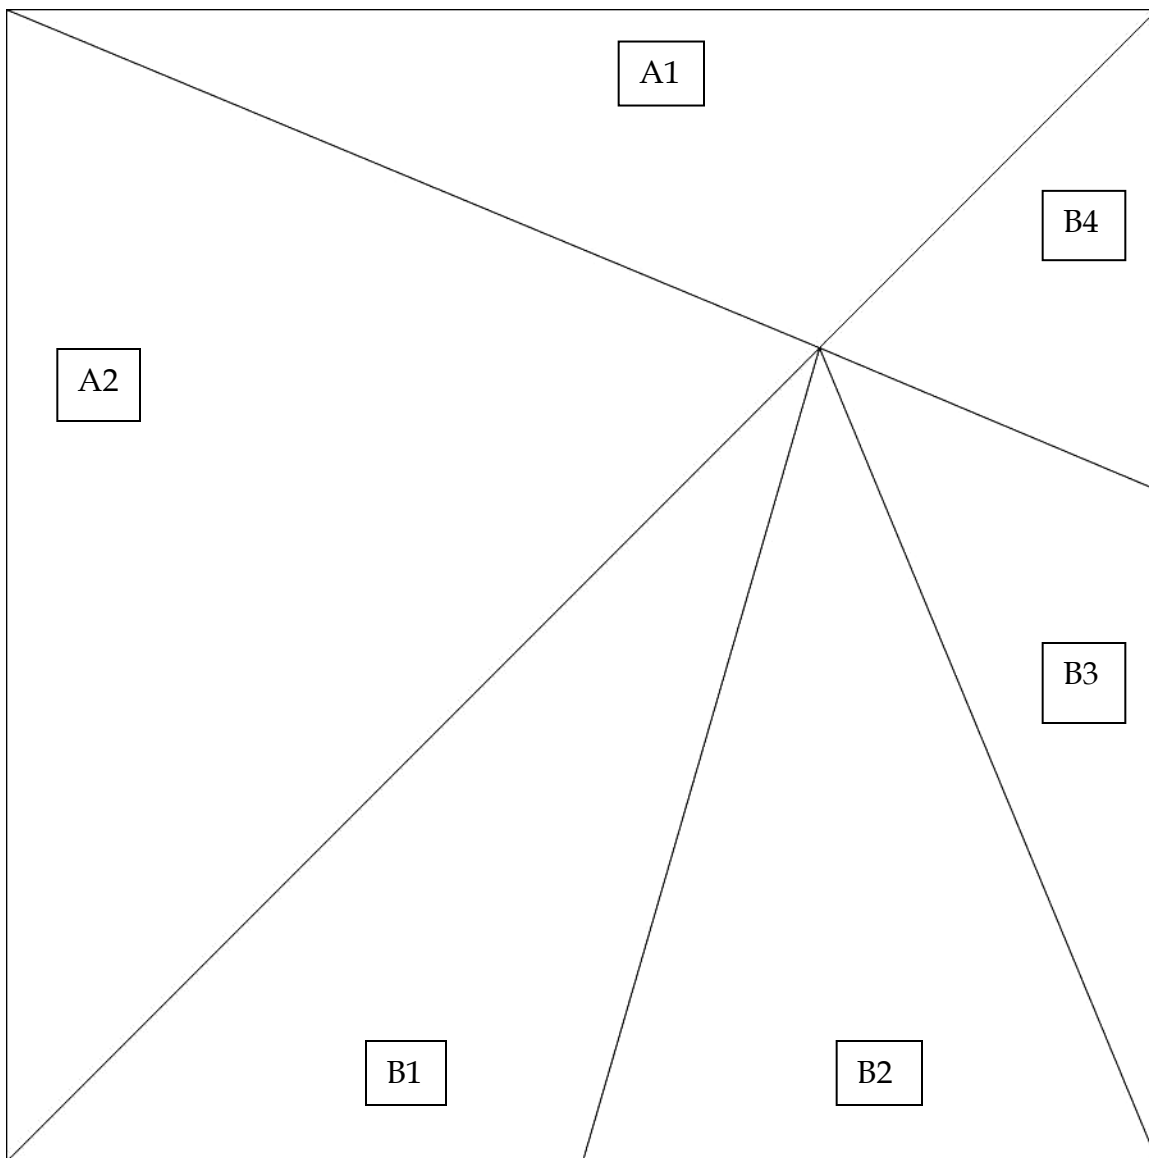

\*Seam allowances are not included. Trace, or print, the 3" and 6" blocks.

Perhaps the simplest method would be to paper piece the blocks, but you could certainly make templates if desired.

## Pinwheel Star Border Block 3"

Use the quilt photo as inspiration, but have fun experimenting with layouts before sewing the top together. There can be some surprising results.
